

Junior Aid Society, Inc.

Membership Information

Since its inception in 1927, Junior Aid has proudly aided women and children's charities of Boston's North Shore through special events and direct hands-on volunteer assistance. We welcome women of all races, religious and national origins who demonstrate and interest in a commitment to volunteer service.

Benefits of Membership

- Training for effective community leadership, including public relations, marketing, fundraising, leadership and personal development.
- Insight into community needs and strategies for solutions.
- Access to new friends, new ideas and new opportunities for continued growth and fulfillment.
